# WELCOME: WHAT IS THIS GUIDELINE?

This Discussion Facilitation Guideline is designed to support the Blue Peace Youth Calculations (BPYC) Workshop, which aims to assess the transboundary index of cooperation.

The following Guideline provides some ideas on how you, as the organizer of BPYC, can structure the discussion among the participants during or after the main calculation event.

# GENERAL INTRODUCTION

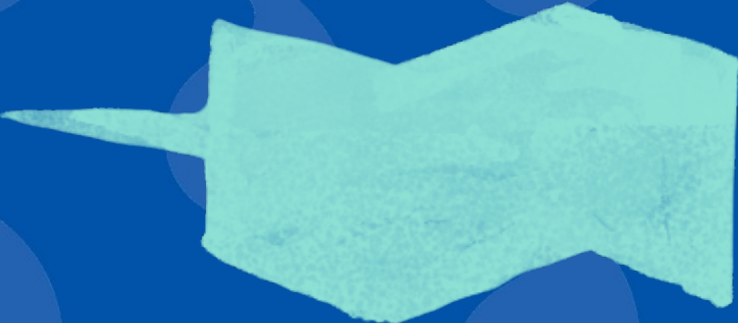

After the calculation is finalized, the **Facilitator** is encouraged to initiate a dialogue among the Participants in order to discuss the BPYC in general.

We recommend organizers to keep track of Participants' answers, so that their ideas and suggestions can help improving the general flow of the Event and the Tool in particular (we recommend to use the *Chatham House Rules*\* for this Part of BPYC).

\*When a meeting, or part thereof, is held under the *Chatham House Rule*, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed. Sometimes the reference is made to Chatham House rules. (source [https://en.wikipedia.org/wiki/Chatham\\_House\\_Rule](https://en.wikipedia.org/wiki/Chatham_House_Rule))

THE QUESTIONS THAT WE SUGGEST CAN BE USED IN FULL OR IN PARTIAL, IT'S UP TO YOU!

YOU CAN ADD YOUR QUESTIONS AND/OR CREATE ONLINE POLLS, USE FLIPCHARTS, PINBOARDS OR ANY OTHER MODERATING TOOLS TO CREATE AN ENGAGING DISCUSSION AMONG THE PARTICIPANTS.
